

Purchasing these gifts supports Alicia Lang and her family. Alicia graduated from Lakota West High School in 2010 and has suffered from cystic fibrosis her entire life. The next treatment for Alicia is a double-lung transplant and is now listed for the surgery at Cleveland Clinic. Alicia's brother Nicholas also has cystic fibrosis, a genetic disease affecting the lungs and digestive system. Her family has suffered financially because of this disease, and now has an even bigger burden due to the surgery. You can help the Lang's with this order and other fund raising activities found at langslocks.com.
